Continuation of Substance of Interview including description of the general nature of what was discussed: Claims 148 and 151 were vague and indefinite under 35 USC 112, 2nd paragraph because it was unclear what was transmitted at the highest transmission rate. Claim 163 was objected to as duplicative of claim 162. Claims 154 and 155 were objected to as being inconsistent with Figure 11. Claims 52, 150 and 153 were objected to because of minor informalities. Mr. Yonay agreed to changes by Examiner's Amendment in order to place the application in condition for allowance..
